

Talking Heads - And She Was

Tom: C

And she was lying in the grass
 And she could hear the highway breathing
 And she could see a nearby factory
 She's making sure she is not dreaming
 See the lights of the neighbor's house
 Now she's starting to rise
 Take a minute to concentrate
 And she opens up her eyes
 The world was moving, she was right there with it
 And she was
 The world was moving she was floating above it
 And she was
 And she was drifting through the backyard
 And she was taking off her dress
 And she was moving very slowly
 Rising up above the earth
 Moving into the universe
 Drifting this way and that
 Now touching the ground at all
 Up above the yard
 The world was moving, she was right there with it
 And she was

The world was moving she was floating above it
 And she was
 She was glad about it ... no doubt about it
 She isn't sure about where she's gone
 No time to think about what to tell them
 No time to think about what she's done
 And she was
 And she was looking at herself
 And things were looking like a movie
 She had a pleasant elevation
 She's moving out in all directions
 Oh, oh, oh, ...
 Oh, oh, oh, ...
 Oh, oh, oh, ...
 Oh, oh, oh, ...
 The world was moving, she was right there with it
 And she was
 The world was moving she was floating above it
 And she was
 Joining the world of missing persons
 And she was
 Missing enough to feel alright
 And she was
