

# Tally Hall - The Bidding

tom:

Am  
I've been sleeping in a cardboard box  
Spending every dollar at the liquor shop  
And even though I know I haven't got a lot  
Dm E Abm Am  
I try to give you loving till the day you drop

Am Dm C E  
I've been training like a Pavlov dog  
Sent my independence out to take a hike  
Am C F Dm  
All you gotta do is activate my bell  
E Abm Am  
And I'll fetch you anything you like

D C  
Going once, going twice  
F G  
Every man here has a price  
D C  
Over here, over there  
F G  
Sold to not a single lady in here

Am Dm C E  
I've been here like a thousand times  
Am Dm C E  
Dated every woman in the atmosphere  
Am Dm C E  
I've been to every continent  
Am Dm C  
Broken all the hearts in every hemisphere  
E Am  
And if I'm not the type of guy  
C F  
You like to circumvent  
Dm E Abm Am  
Just remember not to love me when I disappear

Am Dm C  
I graduated at the top  
E Am Dm C

I like to take advantage of the bourgeoisie  
E Am C F  
So if you have a fantasy of being a queen  
Dm E Abm Am  
Maybe you should blow a couple bucks on me

D C  
Going once, going twice  
F G  
Won't these gentlemen suffice?  
D C  
Any here, Any there  
F G  
Any motions anywhere

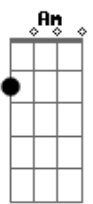

D C  
Going twice, going thrice  
F G  
Guess this means we'll go 4 times a lady

A E D A  
I promise I'll be all you need, ever need  
Bm E A D  
You'll never have to shop around  
A E D A  
I'll give you all you ever need, ever need  
Bm E  
Don't worry I will never  
A D  
Let you down, let you down  
Bm E A  
Don't worry I will never let you down

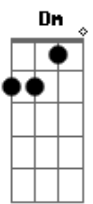

Am Dm  
So many ladies are wanting for mates  
C E  
And the prospects are good

But the date's never great  
Am Dm C E  
Over here Over there Over where Anywhere  
Am Dm  
They're too busy With winning  
C E  
The bidding To care and he's  
D  
Sold
