

# Talos - To Each His Own

tom:

Intro: G Bm A G Bm A

Is that where we're at?

If we reach up as the waters climb in us

The hardest parts

Blind to reason, lose the sight of what's to come

Below or what's above

Falling away, keep all that Sun below

Seen all your hype

And oh

Why'd you spend your time leading the chorus

When the war was just waiting before us?

As if you didn't know

You ignored all the darkest of warnings

Found our end in the silence of morning

It fell beneath the cold

I'll take the desert, you take the coast

But to each his own

I'll take the desert

If we reach up as the waters climb in us

The hardest parts of your silence

Tried to mark the fallen snow

We'll leave you here, you know

Why'd you spend your time leading the chorus

When the war was just waiting before us?

As if you didn't know

You ignored all the darkest of warnings

Found our end in the silence of morning

It fell beneath the cold

I'll take the desert, you take the coast

But to each his own

I'll take the desert, you take the coast

But to each his own
