Intro: G Gbm G Gbm
G Gbm G Gbm

If you think I couldn't hold my own, believe me, I can

Believe me, I can, believe me, I can

If it ain't so awful and we're all together, I can

Believe me, I can, believe me, I can

If you think I couldn't hold it up, believe me, I can

Believe me, I can, believe me, I can

If ideally we should feel like this forever, I can

Believe me, I can, believe me, I can

(G Gbm G Gbm)
(G Gbm G Gbm)

Would you say seems you're coming on?

Breathe a little deeper

Should you need to come undone

And let those colours run

Would you say now you're having fun?

So do this and get through this

And come find me when you're done

So we can be as one

(G Gbm G Gbm)

If you think I couldn't hold my own, believe me, I can

Believe me, I can, believe me, I can

If you need someone to tell you that you're special, I can

Believe me, I can, believe me, I can

If you need someone to carry on, believe me, I can

Believe me, I can, believe me, I can

If you think that I was feeling what you're feeling, I am

Believe me, I am, believe me, I am

(G Gbm G Gbm)
