

Tame Impala - 'Cause I'm A Man

Tom: D
Intro: E D E G D7M

VERSE 1

Like the brutal morning sun
It dawns on me, what have I done?
Saying sorry ain't as good as saying why
But it buys me a little more time

PRE-CHORUS

Lost in the moment for the second time
Each fucking atom in him makes him cry
I'm just pathetic, that's the reason why
In desperation all that you can do
Is ask me why

CHORUS RIFF (listen to the song to know when to play)

CHORUS

Cause I'm a man, woman
Don't always think before I do
Cause I'm a man, woman
It's the only answer I got for you
Cause I'm a man, woman
Not often proud of what I choose
I'm a human, woman

A greater force I answer to

VERSE 2

Once again as it takes a hold
I am aware, not in control, see
I had a conscience and it's never fooled
but it's prone to be overruled

PRE-CHORUS

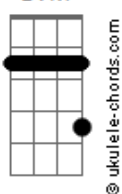

You wanna know what I always think I'm 'bout, but
You never accept defeat and let it slide (why?), but
I have no voice if I don't speak my mind (why?)
My weakness is the source of all my pride
I'll tell you why

CHORUS

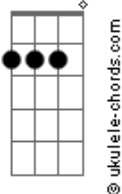

Cause I'm a man, woman
Don't always think before I do
Cause I'm a man, woman
It's the only answer I got for you
Cause I'm a man, woman
I'll never be as strong as you
I'm a human, human
A greater force I answer to
