

Tame Impala - It Is Not Meant To Be

Tom: C

Guitar

ou você pode usar esse intro:

Baixo

Am
I wanted her
Am
I wanted her

(Am , D)
But she doesn't like the life that I lead,
She doesn't like the life that I lead
Doesn't like sand stuck on her feet.
Or sitting around smoking weed,
I must seem more like a friend in need.

C D
And I boast that it is meant to be,
F G F
but in all honesty,
G D Em F
I don't have a hope in hell,
F G D Em F

I'm happy just to watch her move.

F G F
but in all honesty,
G D Em F
I don't have a hope in hell,
F G D Em F
I'm happy just to watch her move.

(Am , D)

And she doesn't like the
friends that I make, doesn't
make friends for friendship's sake.
she just gets bored sitting by the lake,
her soul won't surface and her
heart won't ache.

C D
And I boast that it is meant to be,
F G F
but in all honesty,
G D Em F
I don't have a hope in hell,
F G D Em F
I'm happy just to watch her move.

F G F
but in all honesty,
G D Em F
I don't have a hope in hell,
F G D Em F
I'm happy just to watch her move.
