[Verse]

Bm
Each step I left behind

Each road you know is mine

Walking on the line ten stories high

If you could understand

That I can barely breath the air is thin
Bm
I fear the fall and where we'll land

[Chorus]

G
We fight every night for something
Em
When the sun sets we're both the same
Bm
Half in the shadows

Half burned in flames
G
We can't look back for nothin'

Take what you need say your goodbyes
Bm
I gave you everything
A
And it's a beautiful crime
