

## **Tamino - Sunflower**

```
tom:
               Cm (forma dos acordes no tom de Am )
Capostraste na 3ª casa
Intro: G F C G G F C G
[Primeira Parte]
Down by the banks a sunflower blooms
Reaching into the clouds
              Cadd9 Em
Ever young and ever-growing
Defying the hardest winds' blowing
[Segunda Parte]
Time and again I have drawn her
         Am
Ever since she was a golden-haired girl
       Cadd9 Em
Taken up by devotion
 В7
I still hear her sing by the ocean
[Refrão]
   Oh baby, don't you notice me?
             so ready to lose everything
                  G
Everything for your love
(Ab C Ab C)
[Terceira Parte]
Every day I'm getting closer to you
```

```
I know love does not come easy
 Oh there must be someone who hears me
   [Refrão]
                                      Oh baby, don't you notice me?
                                                                                                                                     so ready to lose everything
 Everything
                                      Oh baby, don't you notice me?
Notice me,
                                                                                                                                       so ready to lose everything
                                                                                                                                                                 Bm F C
   Everything for your love
   [Interlúdio]
                                                Bm F C
   Your love
 Your love
   ( Ab C Ab C )
   [Quarta Parte]
                                                                                                                                                     Fm
 Now I water the ground in which she stands % \left( 1\right) =\left( 1\right) \left( 
 And shield her from every storm
                                                                                                                                                                 Em7 Em
 For if I don't, we might go under C
   Forever bound asunder
 B7
 No god above who will wonder
What about us?
```
