

# Tan Feelz - Rip In Hell

tom:  
[Primeira Parte]

Now that you and me are through  
Tears are slowly drying  
Oh so satisfying

Nothing like when your face was turning blue  
Gave me puppy eyes but  
They committed crimes  
Oh aye yai yai

[Pré- Refrão]

Sympathy flowers  
Sent after hours  
Prayers and sorrows  
For the dum-dum

Caket with no air  
?Life is so unfair!?  
Hope you have fun there  
Underneath the ground

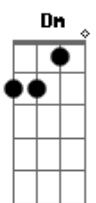

[Refrão]

Your dollars are gona be buried next to you  
Next to the bodies you stepped over to  
Got you beggin? on your own knees  
But I am not sorry  
Rip in hell

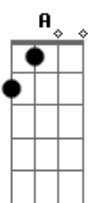

Your dollars are gona be buried next to you  
Next to the bodies you stepped over to  
Got you beggin? on your own knees  
But I am not sorry  
Rip in hell

[Segunda Parte]

Had the chance to tell the truth  
But you're a pathological liar with no logic  
Such a shame

Karma found its way to you  
Dancing with your lies  
Is the devil in disguise?

[Ponte (ou similar)]  
Oh wait, that's me

Bibbidi-bobbidi-boo

Then you went poof  
Stuck in a grave in a loop

I pulled an UNO on you

Bling BLING BLING  
What does it feel like to lose?

Playing the victim, oh good

Then I salute

May god have mercy on you  
Such a tragic loss, he was a wonderful friend

[Refrão]

Your dollars are gona be buried next to you  
Next to the bodies you stepped over to  
Got you beggin? on your own knees  
But I am not sorry  
Rip in hell

Your dollars are gona be buried next to you  
Next to the bodies you stepped over to  
Got you beggin? on your own knees  
But I am not sorry  
Rip in hell
