

Tarancón - Passará

tom:

Passará
 Passará quem passará
 Dessa piora para melhorar

Passará
 Quem tiver os braços
 Quem tiver as pernas
 Vai querer passar

Passará
 Quem não for sozinho
 Quem somar caminho

Para melhorar

Quem folgar
 Passará em falso
 Um passo à frente
 Dois para retardar
 Do outro lado
 Se avistam flores e colmeias
 Como resultado do trabalho
 Desse lado
 Gritos e lamentos
 O mato queimando
 Sem poder plantar
 Passará
