

Tarrus Riley - Superman

Tom: C

Intro: 2x: F C G Am G F

I'm a superman thanks to Lois Lane
 Kissed away my problems when I went insane
 Took me from the depths when I lost my name (oooh)
 Give me something I could live for
 Now everyone is wondering what's the change
 They don't recognize I have so much to say
 And I never thought someone could love someone
 So much that they give up on everything
 Jah knooooow...

I will be there when you need me
 I will be there when you cry baby
 I will be there when you need someone to tell you
 That you're beautiful baby
 I will be there when you need someone to run with
 I will be there when you need someone to dance with
 I'm your lover till the sky turn gray girl
 Cause you're beautiful baby

Yes, you're beautiful
 Oh you're beautiful
 Yes, you're beautiful baby
 Yes, you're beautiful
 Yes, you're beautiful
 Yes, you're beautiful baby

Feel butterflies when I'm in your hands
 You can turn the pavement into white sand
 You can make a moment, a memory in a glance
 And I can't believe anyone else
 And everybody's talking
 You're always shining
 You never stop glistening baby
 And I never thought someone could love someone
 So much that they give up on everything
 Jah knooooow...

I will be there when you need me
 I will be there when you cry baby
 I will be there when you need someone to tell you
 That you're beautiful baby

I will be there when you need someone to run with
 I will be there when you need someone to dance with
 I'm your lover till the sky turn gray girl
 Cause you're beautiful baby

Till it's beautiful
 Oh you're beautiful
 Yes, you're beautiful baby
 Yes, you're beautiful
 Yes, you're beautiful
 You're beautiful baby

(Beautiful) Beautiful...
 (Beautiful) Beautiful... ooh

There's a million people underneath the sun
 That can find a million more but never find the one
 There's a girl who did this and a socialite
 Was on magazines, was the shy type

I'm a superman thanks to Lois Lane
 Kissed away my problems when I went insane
 And I never thought someone could love someone
 So much that they give up on everything
 Ooh-aah...

I will be there when you need me
 I will be there when you cry baby
 I will be there when you need someone to tell you
 That you're beautiful baby
 I will be there when you need someone to run with
 I will be there when you need someone to dance with
 I'm your lover till the sky turn gray girl
 Cause you're beautiful baby

Till it's beautiful
 Yes, you're beautiful
 You're beautiful baby
 Yes, you're beautiful
 Oh You're beautiful
 Yes, you're beautiful baby

I will be there when you need me
 I will be there when you cry baby

I will be there when you need someone to tell you
