A lua girou girou
Traçou no céu um compasso

(F7 C7)
(F7 C7)

F7
Com os pés no duro concreto
C7
Caminho inverso do que escolheu

A falta de coragem à sua volta
C7
Aflige o menino valente
F7
Nem adianta conter
C7
O tempo segue a multidão
F7
Siga o azul
Siga a linha apagada
C7 Db7
Do coração

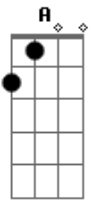

Mas
F7
Vem que o vento vai soprar
C7
E te ajudar a se encontrar
F7
Vem que o vento vai soprar
C7
Enche o peito de vendaval
