

# tate mcrae - Dear Person Who Doesn't Understand Me

tom:

B

[Primeira Parte]

E B  
Staring at the walls again

Abm E B  
I don't even think that you have ever seen me

B  
Know that you try to pretend

Abm  
Think you know my head

E  
Why can't you just believe me

[Pré-Refrão]

E B  
Now, I'm stuck here for the second time

Abm E  
They all assume but don't even try

E  
And now I'm the bad guy

B  
Make mistakes sometimes

Abm E  
Sorry you don't understand

[Refrão]

E B  
Sometimes don't feel cause I don't like emotions

B Abm E  
So confusing usually don't know where my mind's tryna go

B  
And I like nights cause I hate when it's bright out

Abm E  
Yeah, laugh a lot but my brain's really psyched out

B Abm  
Don't fall fast but when I do, I hang on a little too long

E B  
And I get distant when I'm mad at myself

Abm E  
Push too hard then my soul's left a burnout

E B

I say sorry a lot, don't know why but

Abm E  
I'm sorry, I guess

[Segunda Parte]

E B  
Barely even said a word

Abm E  
You already got a story that you'll twist up

E B  
If I speak I'll make it worse

Abm E  
Contemplating how it always gets so messed up

[Pré-Refrão]
