

tate mcrae - Don't Come Back

tom:

[Refrão]

Am G
If you wanna go ahead and lie to me
F
Throw it all out now, that's fine with me, uh
Am G
If I'm not enough for you, honestly
F Am
I hope you don't come back
G
When you see that I'm better off
F
When you're all broke down and you're missing us
Am G
When you finally figure out just what you lost
F Am
I hope you don't come back

[Primeira Parte]

G F
I can feel you shutting off now
Am
Like I always expected you would
G F
Start believing all your friends now
Am
'Cause they all say that you get bored
G F Am
I feel it, you're 'bout to cut me out your life
G F
I feel it, just know that there's no second try

[Refrão]

Am G
If you wanna go ahead and lie to me
F
Throw it all out now, that's fine with me, uh
Am G
If I'm not enough for you, honestly
F Am
I hope you don't come back
G
When you see that I'm better off
F
When you're all broke down and you're missing us
Am G
When you finally figure out just what you lost
F Am
I hope you don't come back

[Segunda Parte]

G F
You can see me shutting off now (Off now)
Am
I don't know what else you'd expect
G F
Really thought I knew you so well (So well)
Am G
Should've known that's what I'd get for thinking that you
cared at all
F Am
I bet you'll blame it on the alcohol again
G F
Don't be acting so surprised when you see there's no second
try

[Refrão]

Am G
If you wanna go ahead and lie to me
