tom:  
 G  
 Yeah, I wonder if  
 F Am  
 My name has ever crossed your mind  
 C  
 Even for a second  
 G  
 Know it's been a second  
 Am  
 Since we last talked  
 F  
 Or faced each other eye to eye  
 C  
 Know it's been hectic  
 G  
 Yeah I shoulda said this  
 Am  
 It kinda hurts 'cause it's insane  
 Am F  
 Yeah we walk by and it's like  
 F C  
 I don't even know you  
 C G  
 Like I've never met you  
 G Am  
 I see our pictures on my phone  
 Am F  
 And question why we didn't try  
 F C  
 But we were just habits  
 C G  
 Thought we'd always have it  
 G Am  
 So to my ex best friend  
 F  
 I thought I'd know till the end  
 C  
 Sorry I know things aren't going  
 G  
 As we planned  
 G Am  
 To my once ride or die  
 F  
 The one who always knew me right  
 C  
 We would swear it'd always end up  
 G  
 You and I

We really messed up this time Am  
 ( Am F )  
 We really messed up this time F C  
 ( C G )  
 What about all the nights Am  
 F  
 Where we'd talked about our lives  
 C  
 We were just wishing  
 G  
 Wish I woulda listened  
 Am  
 It kinda hurts 'cause it's insane  
 Am F  
 Yeah we walk by and it's like  
 F C  
 I don't even know you  
 C G  
 Like I've never met you  
 G Am  
 I see our pictures on my phone  
 Am F  
 And question why we didn't try  
 C  
 But we were just habits  
 G  
 Thought we'd always have it  
 G Am  
 So to my ex best friend  
 F  
 I thought I know till the end  
 C  
 Sorry I know things aren't going  
 G  
 As we planned  
 Am  
 To my once ride or die  
 F  
 The one who always knew me right  
 C  
 We would swear it'd always end up

 You and I
