

# tate mcrae - She's All I Wanna Be

tom:

Intro: Am F C G

You want a girl with the small waist  
 And the perfect smile  
 Someone who's out every week day  
 In her dad's new car  
 You tell me I shouldn't stress out  
 Say: It's not that hard  
 But I just got a feeling  
 This will leave an ugly scar  
 If you say: She's nothing to worry about  
 Then why'd you close your eyes when you said it out loud?

Stupid boy making me so sad  
 Didn't think you could change this fast  
 She's got everythin' that I don't have  
 How could I ever compete with that?  
 I know you'll go and change your mind  
 One day wake up and you're bored with mine  
 She's got everything that I don't have  
 And sh?'s all I wanna be, all I wanna be so bad, so bad  
 She's got ?verything that I don't have  
 Mhm

You want someone you can show off

Whenever you go out  
 To wear a tight mini black dress  
 With all her friends around  
 And then you'll probably spend the night at  
 Her nice big house  
 But then I'll just be someone  
 You've forgotten about, oh  
 If you say: She's nothing to worry about  
 Then why'd you close your eyes when you said it out loud?  
 Stupid boy making me so sad  
 Didn't think you could change this fast  
 She's got everythin' that I don't have  
 How could I ever compete with that?  
 I know you'll go and change your mind  
 One day wake up and you're bored with mine  
 She's got everything that I don't have  
 And sh?'s all I wanna be, all I wanna be so bad, so bad  
 She's got ?verything that I don't have
