tom:

Intro: Am F Em F

Am G Em F  
Run me in circles like you always do  
Am G Em F  
Mess with me on purpose, so I'll hang on to you

Am  
I know what you mean when you act like that  
G  
But you don't know it's breaking my heart  
Em  
Said that it was just never gonna happen  
F  
Then almost kissed me in the dark  
Am  
Every time we talk, it just hurts so bad  
G  
'Cause I don't even know what we are  
Em  
I don't even know where to start  
F  
But I can play the part

Am G  
We say we're friends, but I'm catching you across the room  
Em F  
It makes no sense 'cause were fighting over what we do  
Am G  
And there's no way that I'll end up being with you  
Em F  
But friends don't look at friends that way  
Am G  
Friends don't look at friends that way
