But I didn't believe that you would

G Bm  
Be the player that plays with the games in our heads

The faker that makes you do things you'll regret

The player, player  
D A  
The player, player  
G Bm  
The person that leads you to think that they're real

Leadin' you on to control how you feel  
G Bm  
To break her, break her

Like the player you are  
[Segunda Parte]

G Bm D  
Did you actually think that I'd care enough  
A G  
To spend all my hours thinkin' of us?  
Bm D A  
Oh, boy, you've got it all wrong  
G Bm D  
Just wanted to let you know I'm fed up  
A G  
With all the 3 A.M. talks 'cause  
Bm D A  
They dragged on for way too long  
[Pré-Refrão]

G Bm D A  
All my friends, they warned me you were no good
