**Ab Cm Eb G**

[Primeira Parte]

**Ab**  
I got a lack of good judgment  
**Cm**  
Judgin' by the fact I got close to you (oh, no)  
**Ab**  
Time should heal but it doesn't  
**Cm**  
Maybe 'cause you still haven't told the truth (oh, no)

[Pré-Refrão]

**Ab**  
You know there's nothin' worse  
**Cm**  
Than missin' the signs  
**Eb G**  
'Cause you pulled the wool right over your eyes  
**Ab**  
I'll admit when I'm wrong  
**Cm**  
But this time, I'm right  
**Eb G**  
I'm sorry but I'll never see your side

[Refrão]

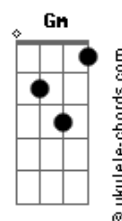

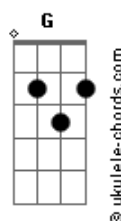

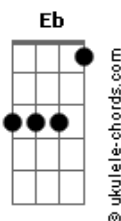

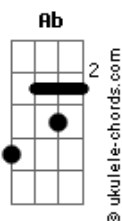

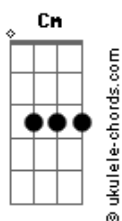

**Ab Cm**  
Swear she was a girl's girl, that's a lie  
**Eb Gm**  
Said she had my back but she had the knife  
**Ab Cm**  
I could never do it once then she did it twice  
**Eb**  
And you wonder why  
**Gm Ab Cm**  
And you wonder why we're not alike  
**Eb**  
(Oh, yeah, we're not alike)  
**Gm**  
(Oh, yeah, we're not alike)

[Segunda Parte]

**Ab**  
Told me him and I would look so good  
**Cm Eb G**  
So when did you decide you want him instead?  
(you want him instead, like, um)  
**Ab**  
No, I'm not sayin' I'm petty  
**Cm Eb G**  
But there's no sayin' that you're so innocent  
(no, you're not innocent)
