

# t.A.T.u - All About Us

Tom: B

Tuning: Standard Eb (Eb Ab Db Gb Bb Eb)

Chords (In Playing Order):

Ab	-	4	6	6	X	X	X
E	-	0	2	2	X	X	X
Db	-	X	4	6	6	X	X
Gb	-	2	4	4	X	X	X
Abm	-	4	6	6	4	4	4
Dbm	-	X	4	6	6	5	4
Gb	-	2	4	4	3	2	2
E	-	X	7	9	9	X	X
Gb	-	X	9	11	11	X	X
B	-	X	2	4	4	4	2

Chords were added and changed to make it sound good and playable for a single guitar.

(Originally, the verses are on bass, and the Chorus chords are played as powerchords.)

Downstroke each verse chord 4 times. Last Db & Gb in the verses strum once.

I recommend palm muting the verse chords to give it a bassy sound.
