

t.A.T.u - All the things she said

Tom: A

D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm Gbm A
 This is not enough
 (D Dbm Gbm A)

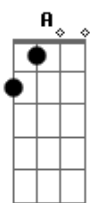

Gbm
 I?m in serious shit, I feel totally lost
 E
 If I?m asking for help it?s only because
 A
 Being with you has opened my eyes
 Dbm
 Could I ever believe such a perfect surprise?
 Gbm
 I keep asking myself, wondering how
 E
 I keep closing my eyes but I can?t block you out
 A
 Want to fly to a place where it?s just you and me
 Dbm
 Nobody else so we can be free.

D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm Gbm A
 This is not enough
 D Dbm Gbm A
 This is not enough
 (Gbm E A Dbm)
 (Gbm E A Dbm)

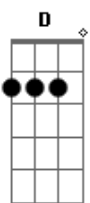

D Dbm
 And I'm all mixed up, feeling cornered and rushed
 Gbm E
 They say it's my fault but I want her so much
 D Dbm
 Wanna fly her away where the sun and rain
 Gbm E
 Come in over my face, wash away all the shame
 D Dbm

When they stop and stare - don't worry me
 Gbm E
 'Cause I'm feeling for her what she's feeling for me
 D Dbm
 I can try to pretend, I can try to forget
 Gbm E
 But it's driving me mad, going out of my head
 D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm
 All the things she said, all the things she said
 Gbm A
 All the things she said, all the things she said
 D Dbm
 All the things she said, all the things she said
 Gbm A
 All the things she said, all the things she said
 D Dbm
 All the things she said, all the things she said
 Gbm A
 All the things she said, all the things she said
 D Dbm
 Mother looking at me
 Gbm A
 Tell me what do you see?
 D Dbm Gbm A
 Yes, I've lost my mind
 D Dbm
 Daddy looking at me
 Gbm A
 Will I ever be free?
 D Dbm Gbm A
 Have I crossed the line?
 D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm
 All the things she said, all the things she said
 Gbm A
 Running through my head, running through my head, running
 through my head
 D Dbm Gbm A
 This is not enough
 D Dbm Gbm A
 This is not enough
 All the things she said, all the things she said
 All the things she said, all the things she said
