

# t.A.T.u - Clowns (Can You See Me Now?)

Tom: Bb

( Cm - Ab - Eb - Bb )

Can you see me now? Can you see me now? Can you see?

( Cm - Ab - Eb - Bb )

All this weeping in the air,  
Who can tell where it will fall?  
Through floating forests in the air  
'cross the rolling open sea

( Cm - Ab - Eb - Bb )

Blow a kiss, I run through air  
Leave the past, find nowhere  
Floating forests in the air  
Clowns all around you.

( Cm - Ab - Eb - Bb )

Clowns that only let you know  
Where you let your senses go.  
Clowns all around you  
It's a cross I need to bear

( Cm - Ab - Eb - Bb )

All this black and cruel despair  
This is an emergency  
Don't you hide your eyes from me  
Open them and see me now

( Cm - Ab - Eb - Bb )

Can you see me now? Can you see me now?

( Cm - Ab - Eb - Bb )

Can you see? Can you see?  
See me here in the air  
Not holding onto anywhere  
But holding on so beware  
I have secrets I won't share

( Cm - Ab - Eb - Bb )

See me here pushing you  
If I then deny I do  
Contemplate or wish away  
If I ask you not to stay

( Cm - Ab - Eb - Bb )

Clowns that only let you know  
Where you let your senses go  
Clowns all around you  
It's a cross I need to bear

( Cm - Ab - Eb - Bb )

All this black and cruel despair  
This is an emergency  
Don't you hide your eyes from me  
Open them and see me now
