

# t.A.T.u - Fly On The Wall

Tom: Eb

When you're naked in the shower  
 When you're sleeping for an hour  
 When you're big, when you're small  
 Oh, I wish I was a fly on the wall

When you're with her after midnight  
 When you kiss her in the dim light  
 When you break Barbie Doll  
 Oh, I wish I was a fly on the wall

Wanna see who you are  
 Every inch, every scar

(pre-refrão)  
 From your head to your toes  
 I would be there  
 From your bed to your clothes  
 I'm in the air

(refrão 1)  
 When you think you're alone  
 I'll be down in the hall  
 I could see it, if I was a fly on the wall  
 What you do in your room  
 I could see it all  
 You undress, I wish I was a fly on the wall, yeah  
 Wish I was a fly on the wall, yeah

(verse 2)  
 For the drama that you're drinking  
 And the dark thoughts you are thinking  
 And the love notes that you scrawl  
 Oh, I wish I was a fly on the wall

Silently I arrive  
 You don't know I'm alive

(pre-refrão)  
 From your head to your toes  
 I would be there  
 From your bed to your clothes  
 I'm in the air

(refrão 2)  
 When you think you're alone  
 I'll be down in the hall  
 I could see it, if I was a fly on the wall  
 What you do in your room  
 I could see it all  
 You undress, I wish I was a fly on the wall, yeah  
 Wish I was a fly on the wall, yeah

I'll be down in the hall  
 I could see it, if I was a fly on the wall  
 What you do in your room  
 I could see it all  
 You undress, I wish I was a fly on the wall, yeah  
 Wish I was a fly on the wall, yeah

(bridge)  
 Ever closer, ever nearer  
 When you're looking in the mirror  
 I would know who you call  
 If I was a fly on the wall

(pre-refrão)  
 From your head to your toes  
 I would be there  
 From your bed to your clothes  
 I'm in the air

(refrão 2)  
 When you think you're alone  
 I'll be down in the hall  
 I could see it, if I was a fly on the wall  
 What you do in your room  
 I could see it all  
 You undress, I wish I was a fly on the wall, yeah  
 Wish I was a fly on the wall, yeah

(pre-refrão 2)  
 From your head to your toes  
 I would be there  
 From your bed to your clothes  
 I'm in the air  
 What you do on your own  
 I could see all  
 When you think you're alone  
 I would go

(refrão 2)  
 When you think you're alone  
 I'll be down in the hall  
 I could see it, if I was a fly on the wall  
 What you do in your room  
 I could see it all  
 You undress, I wish I was a fly on the wall, yeah  
 Wish I was a fly on the wall, yeah
