

t.A.T.u - Stars

Tom: **G**

How did we ever go this far **C**
 You touched my hand and start the car **Em**
 And for the first time in my life, i am crying **Am** **D** **Em**

Are we in space do we belong **C**
 Some place where no-1 calls it wrong **Em**
 And like the stars who burn away **Am** **D**
 The miles **Em**
