

Taty Girl - Como Esquecer

tom:

[Intro] C Dm G

C Dm G

Hoje eu sei não me queres e sente a falta meu calor

Já lutei fiz loucuras te enganei mas por favor

Esqueça as magoas do coração e vem pra mim

Se eu te perdi me ensina a esquecer

Das noites de amor que vivi com você

0 teu cheiro minha pele não consigo mais fugir

Das lembranças do passado quando te fiz tão feliz

Esqueça as magoas do coração e vem pra mim

Se eu te perdi me ensina a esquecer

Das noites de amor que vivi com você

Se eu te perdi me ensina a esqueceeeeerr

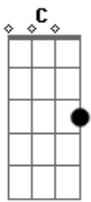

Das noites de amor, ...que eu vivi...com você

(C F G A)

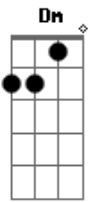

Se eu te perdi me ensina a esquecer

Das noites de amor que vivi com você
