

# Tauren Wells - Joy In the Morning

tom:

[Primeira Parte]

Everything happens for a reason  
But you don't know what you don't know  
And you'll never have peace if you don't let go of tomorrow

'Cause it ain't even faith till your plan falls apart

But you still choose to follow, uh  
If it doesn't make sense right now  
It will when it's over

[Refrão]

There will be joy in the morning  
There will be joy in the morning  
If it's not good, then He's not done  
No, He's not done with it yet  
There will be joy in the morning

[Segunda Parte]

Giving in to your feelings  
Is like drowning in the shallows  
Oh you got to keep believing  
Even in the middle of the unknown  
'Cause grace will be there when you come to the end of your rope

And you let go (oh)  
It may feel like you're going down now  
But the story isn't over (oh)

[Refrão]

There will be joy in the morning  
There will be joy in the morning (oh), ayy  
If it's not good, then He's not done  
No, He's not done with it yet  
There will be joy in the morning (Woo!)

If it's not good, then He's not done  
No, He's not done with it yet, no  
If it's not good, then He's not done  
No, He's not done with it yet, no  
If it's not good, then He's not done

No, He's not done with it yet  
If it's not good, then He's not done  
No, He's not done with it yet, no

[Refrão]

There will be joy (joy) in the morning, ayy  
There will be joy (joy) in the morning (oh)

If it's not good, then He's not done  
No, He's not done with it yet

(Hold on till the morning)  
There will be joy (joy) in the morning  
There will be joy in the morning  
There will be joy in the morning

If it's not good, then He's not done  
No, He's not done with it yet  
There will be joy in the morning

So lift you're rising up  
The fairest joy

You don't have to stay where you're at, no, no, no  
There's a light at the end of the tunnel, whoa  
Hey yeah, yeah, yes

[Ponte 1]

There's new mercy, every morning  
Hold on till you see the sun  
Sing through the night  
Lift up your eyes  
Joy is on the horizon, oh yes

There's new mercy, oh every morning  
Hold on till you see just a little bit longer  
Sing through the night  
Lift up your eyes  
Joy is on the horizon, oh

There's new mercy, every morning  
Hold on till you see the sun  
Sing through the night  
Lift up your eyes  
Joy is on the horizon, oh yes
