

Tavito - Coração Verde Amarelo

Tom: A

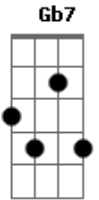

Na torcida são milhões de treinadores
 Cada um já escalou a seleção
 O verde e o amarelo são as cores
 Que a gente pinta no coração
 A galera vibra, canta, se agita
 E unida grita: é "tetra campeão!"
 O toque de bola
 É nossa escola
 Nossa maior tradição
 Eu sei que vou
 Vou do jeito que eu sei

De gol em gol
 Com direito a replay
 Eu sei que vou
 Com o coração batendo a mil
 É taça na raça, Brasil!
 Eu sei que vou
 Vou do jeito que eu sei
 De gol em gol
 Com direito a replay
 Eu sei que vou
 Com o coração batendo a mil
 É taça na raça, Brasil!
