Intro: Ebm

Ebm B2  
 Staring out the window of your city apartment  
 Gb Db  
 Wishing I was anywhere else  
 Ebm B2  
 Right then and there I made myself a promise  
 Gb Db  
 That one day I'd escape your hell

B2 Ebm  
 You reached over and pulled the blinds  
 Db  
 Said the Sun would burn my eyes  
 B2 Ebm  
 Told me I had the perfect life  
 Db  
 But it turns out (it turns out)

B2  
 The grass is greener on the other side  
 Gb Ebm Db  
 Yeah, it looks even better than what I had in mind  
 Ebm B2  
 Yeah, I could build a house and maybe paint it white  
 Ebm Db  
 Now I see for miles and it's all mine

Yeah it's all mine  
 Ebm B2  
 Always said that I wouldn't amount to anything  
 Ebm Db  
 Oh, and lately I've been sensing some jealousy  
 Ebm B  
 By the way tonight he's sleeping right next to me  
 Ebm Db  
 Oh it's so much sweeter  
 Ebm  
 God it's so much greener on the other side

Ebm B2  
 Staring at the dark skyline from a distance  
 Gb Db  
 Feels like another planet now (like another planet)  
 Ebm B2  
 And you'd never admit that this one existed  
 Gb Db

Runnin' felt so out of bounds

B2 Ebm  
 I guess I proved the theory wrong  
 Db  
 I stepped over where that line was drawn  
 B2 Ebm  
 To this iridescent bridge I'm on  
 Db  
 And I'm lookin' out, I'm lookin' out

B2  
 The grass is greener on the other side  
 Gb Ebm Db
