

# Taylor Acorn - I Thinking I'm In Love

tom:

Gb

Intro: Gb Abm Ebm B2

Maybe I'm talking about you

Maybe I'm telling all of my friends

I don't know how to shut my mouth

The words, they keep coming out

You got me feeling inside

That I have never felt before

And I'm not usually like this

Tend to find a way out, but I'm more in

You're perfect

God, I need you

Say you need me too

'Cause I want you every night

To have my arms around you

Say it a thousand times

Come closer, oh come closer

I don't wanna fuck this up, woah

Maybe it's a little too much, woah

But I think, I think, I think

I think I'm in love

You came in without warning

You straight knocked me off of my feet

But call me a liar if I said

I wasn't scared that you'll leave

Once you unpack all the messy sides of me

'Cause I'm not usually like this shit

I think that I'm more in

'Cause you're perfect

God, I need you  
Just say you need me too

'Cause I want you every night  
To have my arms around you

Say it a thousand times  
Come closer, oh come closer

I don't wanna fuck this up, woah  
Maybe it's a little too much, woah

But I think, I think, I think

I think I'm in love  
Yeah, I think I'm in love

Maybe I'm talking about you  
Maybe I'm telling all of my friends

Yeah, I talk about you  
And I'll do it over again

'Cause I want you every night  
To have my arms around you

Say it a thousand times  
Come closer, oh come closer

I don't wanna fuck this up, woah  
I don't wanna say too much, woah

But I think, I think, I think  
I think I'm in love

(I don't wanna fuck this up)  
(Maybe it's a little too much)

Yeah, I think I'm in love  
(I don't wanna fuck this up)

But I think I'm in love
