```
God, I need you
                  B2
      Db
Just say you need me too
 Gb
'Cause I want you every night
          Abm
                         Fbm
To have my arms around you
Say it a thousand times
B2
Come closer, oh come closer
Gb
I don't wanna fuck this up, woah
                     Abm
Maybe it's a little too much, woah
Fbm
                         B2
But I think, I think, I think
                  Gb
I think I'm in love
                      Ebm B2
 Abm
Yeah, I think I'm in love
                  Ebm
                            Db
Maybe I'm talking about you
         B2
Maybe I'm telling all of my friends
      Db Ebm
Yeah, I talk about you
Db
        B2
And I'll do it over again
Gb
'Cause I want you every night
             Abm
                        Ebm
To have my arms around you
Say it a thousand times
B2
                           Gb
Come closer, oh come closer
I don't wanna fuck this up, woah
                 Abm
I don't wanna say too much, woah
    Ebm
                            B2
But I think, I think, I think
       Gb
I think I'm in love
(I don't wanna fuck this up)
                     Abm
(Maybe it's a little too much)
          Ebm
Yeah, I think I'm in love
                            B2
(I don't wanna fuck this up)
But I think I'm in love
