

# Taylor Swift - Afterglow

Tom: A

I blew things <sup>A</sup> out of proportion, now you're blue  
<sup>D</sup> Put you in jail for something you didn't do  
<sup>E</sup> I pinned your hands behind your back, oh  
<sup>D</sup> Thought I had reason to attack, but no  
<sup>A</sup> Fighting with a true love is boxing with no gloves  
<sup>D</sup> Chemistry 'til it blows up, 'til there's no us  
<sup>E</sup> Why'd I have to break what I love so much?  
<sup>E</sup> It's on your face, and I'm to blame, I need to say  
<sup>A</sup> Hey, it's all me, in my head  
<sup>D</sup> I'm the one who burned us down  
<sup>E</sup> But it's not what I meant  
<sup>D</sup> Sorry that I hurt you  
<sup>A</sup> I don't wanna do, I don't wanna do this to you (Ooh)  
<sup>Bm</sup> I don't wanna lose, I don't wanna lose this with you (Ooh)  
<sup>A</sup> I need to say, hey, it's all me, just don't go  
<sup>D</sup> Meet me in the afterglow  
<sup>A</sup> It's so excruciating to see you low  
<sup>D</sup> Just wanna lift you up and not let you go  
<sup>E</sup> This ultraviolet morning light below  
<sup>D</sup> Tells me this love is worth the fight, oh  
<sup>A</sup> I lived like an island, punished you in silence  
<sup>D</sup> Went off like sirens, just crying  
<sup>E</sup> Why'd I have to break what I love so much?

<sup>E</sup> It's on your face, don't walk away, I need to say  
<sup>D</sup>  
<sup>A</sup> Hey, it's all me, in my head  
<sup>E</sup> I'm the one who burned us down  
<sup>Bm</sup>  
<sup>E</sup> But it's not what I meant  
<sup>Bm</sup>  
<sup>D</sup> Sorry that I hurt you  
<sup>A</sup> I don't wanna do, I don't wanna do this to you (Ooh)  
<sup>E</sup> I don't wanna lose, I don't wanna lose this with you (Ooh)  
<sup>Bm</sup>  
<sup>A</sup> I need to say, hey, it's all me, just don't go  
<sup>E</sup>  
<sup>D</sup> Meet me in the afterglow  
<sup>A</sup>  
<sup>E</sup> Tell me that you're still mine  
<sup>Bm</sup> Tell me that we'll be just fine  
<sup>D</sup> Even when I lose my mind, I need to say  
<sup>A</sup> Tell me that it's not my fault  
<sup>E</sup> Tell me that I'm all you want  
<sup>Bm</sup> Even when I break your heart, I need to say  
<sup>A</sup> Hey, it's all me, in my head  
<sup>E</sup> I'm the one who burned us down  
<sup>Bm</sup>  
<sup>D</sup> But it's not what I meant  
<sup>A</sup> Sorry that I hurt you  
<sup>E</sup> I don't wanna do, I don't wanna do this to you (Ooh)  
<sup>Bm</sup> I don't wanna lose, I don't wanna lose this with you (Ooh)  
<sup>D</sup> I need to say, hey, it's all me, just don't go  
<sup>E</sup>  
<sup>D</sup> Meet me in the afterglow  
[Final] <sup>A</sup> <sup>E</sup> <sup>Bm</sup> <sup>D</sup>  
<sup>A</sup> <sup>E</sup> <sup>Bm</sup> <sup>D</sup>

## Acordes
