

Taylor Swift - Afterglow

Tom: A

I blew things ^A out of proportion, now you're blue
^D Put you in jail for something you didn't do
^E I pinned your hands behind your back, oh
^D Thought I had reason to attack, but no
^A Fighting with a true love is boxing with no gloves
^D Chemistry 'til it blows up, 'til there's no us
^E Why'd I have to break what I love so much?
^E It's on your face, and I'm to blame, I need to say
^A Hey, it's all me, in my head
^D I'm the one who burned us down
^E But it's not what I meant
^D Sorry that I hurt you
^A I don't wanna do, I don't wanna do this to you (Ooh)
^{Bm} I don't wanna lose, I don't wanna lose this with you (Ooh)
^A I need to say, hey, it's all me, just don't go
^D Meet me in the afterglow
^A It's so excruciating to see you low
^D Just wanna lift you up and not let you go
^E This ultraviolet morning light below
^D Tells me this love is worth the fight, oh
^A I lived like an island, punished you in silence
^D Went off like sirens, just crying
^E Why'd I have to break what I love so much?

^E It's on your face, don't walk away, I need to say
^D
^A Hey, it's all me, in my head
^D I'm the one who burned us down
^E But it's not what I meant
^D Sorry that I hurt you
^A I don't wanna do, I don't wanna do this to you (Ooh)
^{Bm} I don't wanna lose, I don't wanna lose this with you (Ooh)
^A I need to say, hey, it's all me, just don't go
^D Meet me in the afterglow
^A Tell me that you're still mine
^E Tell me that we'll be just fine
^{Bm} Even when I lose my mind, I need to say
^A Tell me that it's not my fault
^E Tell me that I'm all you want
^{Bm} Even when I break your heart, I need to say
^A Hey, it's all me, in my head
^D I'm the one who burned us down
^E But it's not what I meant
^D Sorry that I hurt you
^A I don't wanna do, I don't wanna do this to you (Ooh)
^{Bm} I don't wanna lose, I don't wanna lose this with you (Ooh)
^A I need to say, hey, it's all me, just don't go
^D Meet me in the afterglow
[Final] ^A ^E ^{Bm} ^D
