

Taylor Swift - Afterglow

tom:

C

I blew things out of proportion, now you're blue
Put you in jail for something you didn't do
I pinned your hands behind your back, oh
Thought I had reason to attack, but no
Fighting with a true love is boxing with no gloves
Chemistry 'til it blows up, 'til there's no us
Why'd I have to break what I love so much?
It's on your face, and I'm to blame, I need to say
Hey, it's all me, in my head
I'm the one who burned us down
But it's not what I meant
Sorry that I hurt you
I don't wanna do, I don't wanna do this to you (Ooh)
I don't wanna lose, I don't wanna lose this with you (Ooh)
I need to say, hey, it's all me, just don't go
Meet me in the afterglow
Our secret moments in a crowded room
They got no idea about me and you
There is an indentation in the shape of you
Made your mark on me, a golden tattoo
All of this silence and patience, pining and anticipation
My hands are shaking from holding back from you (ha, ah, ah)
All of this silence and patience, turning and desperately waiting
My hands are shaking from all this, ah, ha, ha, ha-ah
Say my name and everything just stops
I don't want you like a bestfriend
Only bought this dress so you could take it off, take it off
(Ha, ha, ha-ah)
Carve your name into my bedpost
'Cause I don't want you like a bestfriend
Only bought this dress so you could take it off
Take it off (ha, ha, ha-ah)
Ha-ah, ha-ah, ha-ah-ha-ah
Only bought this dress so you could take it off

Ha-ah, ha-ah, ha-ah-ha-ah

Tell me that you're still mine
Tell me that we'll be just fine
Even when I lose my mind, I need to say
Tell me that it's not my fault
Tell me that I'm all you want
Even when I break your heart
Flashback when you met me, your buzzcut and my hair bleached
Even in my worst times, you could see the best in me
Flashback to my mistakes, my rebounds, my earthquakes
Even in my worst lies, you saw the truth in me
And I woke up just in time, now I wake up by your side
My one and only, my lifeline
I woke up just in time, now I wake up by your side
My hands are shaking, can't explain this
Ha, ha, ha, ha
Say my name and everything just stops
I don't want you like a best friend
Only bought this dress so you could take it off
Take it off (ha, ha, ha-ah)
Carve your name into my bedpost
'Cause I don't want you like a best friend
Only bought this dress so you could take it off
Take it off (ha, ha, ha-ah)
Ha-ah, ha-ah, ha-ah-ha-ah
Hey, it's all me, in my head
I'm the one who burned us down
But it's not what I meant
Sorry that I hurt you
I don't wanna do, I don't wanna do this to you (Ooh)
I don't wanna lose, I don't wanna lose this with you (Ooh)
I need to say, hey, it's all me, just don't go
Meet me in the afterglow
Only bought this dress so you could take it off
Take it off, take it off
Meet me in the afterglow
