

# Taylor Swift - All Too Well (10 Minute Version)

tom:

Intro: C G Am F  
C G Am F

I walked through the door with you, the air was cold  
But somethin' 'bout it felt like home somehow  
And I left my scarf there at your sister's house  
And you've still got it in your drawer, even now  
( C G Am F )

Oh, your sweet disposition and my wide-eyed gaze  
We're singing in the car, getting lost upstate  
Autumn leaves falling down like pieces into place  
And I can picture it after all these days

And I know it's long gone and  
That magic's not here no more  
And I might be okay, but I'm not fine at all  
Oh, oh, oh

'Caus? there we ar? again on that little town street  
You almost ran the red 'cause you were lookin' over at me  
Wind in my hair, I was there  
I remember it all too well

Photo album on the counter, your cheeks were turning red  
You used to be a little kid with glasses in a twin-sized bed  
And your mother's telling stories 'bout you on the tee-ball team  
You taught me 'bout your past, thinking your future was me  
And you were tossing me the car keys  
"Fuck the patriarchy" keychain on the ground

We were always skipping town  
And I was thinking on the drive down  
Any time now, he's gonna say it's love  
You never called it what it was  
'Til we were dead and gone and buried  
Check the pulse and come back  
Swearing it's the same  
After three months in the grave  
And then you wondered where it went to  
As I reached for you  
But all I felt was shame

And you held my lifeless frame

And I know it's long gone and  
There was nothing else I could do  
And I forget about you long enough  
To forget why I needed to

'Cause here we are again in the middle of the night  
We're dancing 'round the kitchen in the refrigerator light  
Down the stairs, I was there  
I remember it all too well

And there we are again  
When nobody had to know  
You kept me like a secret  
But I kept you like an oath  
Sacred prayer and we'd swear  
To remember it all too well, yeah  
( C G Am F G G )

Well maybe we got lost in translation  
Maybe I asked for too much  
But maybe this thing was a masterpiece  
'Til you tore it all up  
Running scared, I was there  
I remember it all too well  
And you call me up again  
Just to break me like a promise  
So casually cruel in the name of being honest  
I'm a crumpled up piece of paper lying here  
'Cause I remember it all, all, all

They say "All's well that ends well"  
But I'm in a new hell every time  
You double-cross my mind  
You said if we had been closer in age  
Maybe it would have been fine  
And that made me want to die  
The idea you had of me, who was she?  
A never-needy, ever lovely jewel  
Whose shine reflects on you  
Not weeping in a party bathroom  
Some actress asking me what happened

Am  
You  
That's what happened: you  
You, who charmed my dad with self-effacing jokes  
Sipping coffee like you were on a late night show  
But then he watched me watch the front door  
All night, willing you to come  
And he said, "it's supposed to be fun  
Turning 21"

( C G Am F )

C G  
Time won't fly, it's like I'm paralyzed by it  
I'd like to be my old self again, but I'm still trying to find it  
After plaid shirt days and nights when you made me your own  
Now you mail back my things and I walk home alone  
But you keep my old scarf from that very first week  
'Cause it reminds you of innocence and it smells like me  
You can't get rid of it  
'Cause you remember it all too well, yeah  
'Cause there we are again when I loved you so  
Back before you lost the one real thing you've ever known  
It was rare, I was there  
I remember it all too well

C  
Wind in my hair, you were there  
You remember it all  
Down the stairs, you were there  
You remember it all  
It was rare, I was there  
I remember it all too well

C  
And I was never good at telling jokes  
But the punchline goes  
"I'll get older, but your lovers stay my age"

C Am  
From when your Brooklyn broke my skin and bones  
I'm a soldier who's returning half her weight  
And did the twin flame bruise paint you blue?  
Just between us, did the love affair maim you too?  
Cause in this city's barren cold  
I still remember the first fall of snow  
And how it glistened as it fell  
I remember it all too well

F G  
Just between us did the love affair maim you  
All too well  
Just between us, do you remember it  
All too well  
Just between us, I remember it all too well

[Final]

( C ) Am  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it (all too well)  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it
