

# Taylor Swift - American Girl

Tom: E

Well she was an American girl  
 Raised on roses  
 She couldn't help thinkin' that there  
 Was a little more to life  
 Somewhere else  
 After all it was a great big world  
 With lots of places to run to  
 and if she had to die  
 Tryin' she had one little promise  
 She was gonna keep

(refrão)  
 Oh yeah, all right  
 Take it easy baby  
 Make it last all night  
 She was an American girl

(verso 2)

It was kind of cold that night  
 She stood alone on her balcony  
 She could see the cars roll by  
 Out on 441  
 Like waves crashin' in the beach  
 And for one desperate moment there  
 He crept back in her memory  
 God it's so painful  
 Something that's so close  
 And still so far out of reach

(refrão)  
 Oh yeah, all right  
 Take it easy baby  
 Make it last all night  
 She was an American girl
