Took a deep breath in the mirror
He didn't like it when I wore high heels, but I do

Turn the lock and put my headphones on
He always said he didn't get this song, but I do, I do

I walked in, expectin' you'd be late
But you got here early and you stand and wave, I walk to you

You pull my chair out and help me in
And you don't know how nice that is, but I do

[Refrão]

^C
I've been spending the last eight months
^D ^G ^D ^{Em}
Thinking all love ever does is break and burn and end
^C ^D ^G
But on a W?dnesday in a café, I watched it begin again

You said you n?ver met one girl who
Had as many James Taylor records as you, but I do

We tell stories and you don't know why
I'm comin' off a little shy, but I do

That your family watches every single Christmas

I'm so in love that I might stop breathing
Drew a map on your bedroom ceiling

No, I didn't see the news

'Cause we were somewhere else

Stumbled down pretend alleyways
Cheap wine, make believe it's champagne

I was taken by the view

Like we were in Paris
