

Taylor Swift - Better Man

tom:

E (forma dos acordes no tom de C)

Capostrate na 4ª casa

Intro: C

I know I'm probably better off on my own
 Than lovin' a man who didn't know
 What he had when he had it
 And I see the permanent damage you did to me
 Never again, I just wish I could forget when it was magic
 I wish it wasn't 4am, standing in the mirror
 Saying to myself: You know you had to do it
 I know the bravest thing I ever did was run
 Sometimes, in the middle of the night, I can feel you again
 But I just miss you, and I just wish you were a better man

And I know why we had to say goodbye
 Like the back of my hand
 And I just miss you, and I just wish you were a better man
 A better man
 Sometimes, in the middle of the night, I can feel you again
 But I just miss you, and I just wish you were a better man
 And I know why we had to say goodbye
 Like the back of my hand
 And I just miss you, and I just wish you were a better man
 A better man
 We might still be in love if you were a better man
 It would have been the one if you were a better man
