

# Taylor Swift - Better Man

tom:

E (forma dos acordes no tom de C )

Capostrate na 4ª casa

Intro: C

I know I'm probably better off on my own  
 Than lovin' a man who didn't know  
 What he had when he had it  
 And I see the permanent damage you did to me  
 Never again, I just wish I could forget when it was magic  
 I wish it wasn't 4am, standing in the mirror  
 Saying to myself: You know you had to do it  
 I know the bravest thing I ever did was run  
 Sometimes, in the middle of the night, I can feel you again  
 But I just miss you, and I just wish you were a better man

And I know why we had to say goodbye  
 Like the back of my hand  
 And I just miss you, and I just wish you were a better man  
 A better man  
 Sometimes, in the middle of the night, I can feel you again  
 But I just miss you, and I just wish you were a better man  
 And I know why we had to say goodbye  
 Like the back of my hand  
 And I just miss you, and I just wish you were a better man  
 A better man  
 We might still be in love if you were a better man  
 It would have been the one if you were a better man
