

# Taylor Swift - Bigger Than The Whole Sky

tom:

Gb

[Primeira Parte]

No words appear before me in the aftermath  
 Salt streams out my eyes and into my ears  
 Every single thing I touch becomes sick with sadness  
 Because it's all over now, all out to see

[Refrão]

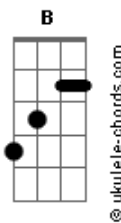

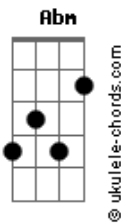

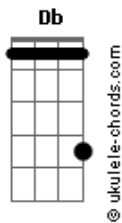

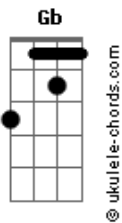

Goodbye, goodbye, goodbye  
 You were bigger than the whole sky  
 You were more than just a short time  
 And I've got a lot to pine about  
 I've got a lot to live without  
 I'm never gonna meet what could've been, would've been  
 What should've been you  
 What could've been, would've been you

( Gb Db Abm B )

[Segunda Parte]

Did some bird flap its wings over in Asia?  
 Did some force take you because I didn't pray?

## Acordes

Every single thing to come has turned into ashes  
 'Cause it's all over, it's not meant to be  
 So I'll say words I don't believe

[Refrão]

Goodbye, goodbye, goodbye  
 You were bigger than the whole sky  
 You were more than just a short time  
 And I've got a lot to pine about  
 I've got a lot to live without  
 I'm never gonna meet what could've been, would've been  
 What should've been you  
 What could've been, would've been you  
 What should've been you  
 Goodbye, goodbye, goodbye  
 You were bigger than the whole sky  
 You were more than just a short time  
 And I've got a lot to pine about  
 I've got a lot to live without  
 I'm never gonna meet what could've been, would've been  
 What should've been you
