

Taylor Swift - Bigger Than The Whole Sky

tom:

Gb

[Primeira Parte]

No words appear before me in the aftermath
 Salt streams out my eyes and into my ears
 Every single thing I touch becomes sick with sadness
 Because it's all over now, all out to see

[Refrão]

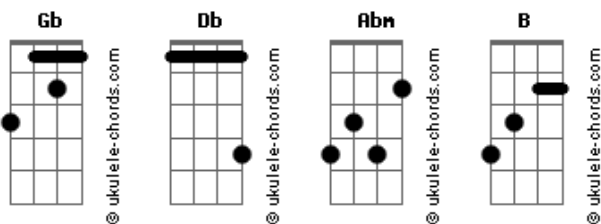

Goodbye, goodbye, goodbye
 You were bigger than the whole sky
 You were more than just a short time
 And I've got a lot to pine about
 I've got a lot to live without
 I'm never gonna meet what could've been, would've been
 What should've been you
 What could've been, would've been you

(Gb Db Abm B)

[Segunda Parte]

Did some bird flap its wings over in Asia?
 Did some force take you because I didn't pray?

Acordes

Every single thing to come has turned into ashes
 'Cause it's all over, it's not meant to be
 So I'll say words I don't believe

[Refrão]

Goodbye, goodbye, goodbye
 You were bigger than the whole sky
 You were more than just a short time
 And I've got a lot to pine about
 I've got a lot to live without
 I'm never gonna meet what could've been, would've been
 What should've been you
 What could've been, would've been you
 What should've been you
 Goodbye, goodbye, goodbye
 You were bigger than the whole sky
 You were more than just a short time
 And I've got a lot to pine about
 I've got a lot to live without
 I'm never gonna meet what could've been, would've been
 What should've been you
