

Taylor Swift - Bigger Than The Whole Sky

tom:
Gb

[Primeira Parte]

No words appear before me in the aftermath
Salt streams out my eyes and into my ears
Every single thing I touch becomes sick with sadness
Because it's all over now, all out to see

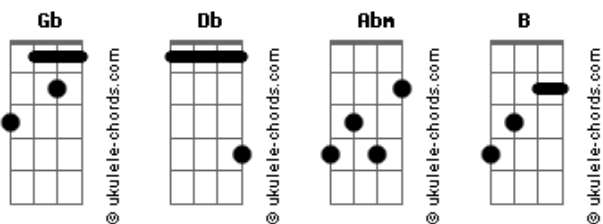

[Refrão]

Goodbye, goodbye, goodbye
You were bigger than the whole sky
You were more than just a short time
And I've got a lot to pine about
I've got a lot to live without
I'm never gonna meet what could've been, would've been
What should've been you
What could've been, would've been you
(Gb Db Abm B)

[Segunda Parte]

Did some bird flap its wings over in Asia?
Did some force take you because I didn't pray?

Acordes

Every single thing to come has turned into ashes
'Cause it's all over, it's not meant to be
So I'll say words I don't believe

[Refrão]

Goodbye, goodbye, goodbye
You were bigger than the whole sky
You were more than just a short time
And I've got a lot to pine about
I've got a lot to live without
I'm never gonna meet what could've been, would've been
What should've been you
What could've been, would've been you
What should've been you
Goodbye, goodbye, goodbye
You were bigger than the whole sky
You were more than just a short time
And I've got a lot to pine about
I've got a lot to live without
I'm never gonna meet what could've been, would've been
What should've been you
