[Primeira Parte]

D A Em G  
No words appear before me in the aftermath

Every single thing I touch becomes sick with sadness

D A  
Goodbye, goodbye, goodbye  
Em  
You were bigger than the whole sky  
G  
You were more than just a short time  
D A  
And I've got a lot to pine about  
Em  
I've got a lot to live without  
G  
I'm never gonna meet what could've been, would've been  
D A  
What should've been you  
Em G  
What could've been, would've been you

Did some force take you because I didn't pray?
