**F Bb C F**

**Bb C F**  
I'm driving away and I, I guess you could say  
**Bb C F**  
This is the last time I'll drive this way again  
**Bb C Dm**  
Lost in the gray and I try to grab at the fray  
**Bb C**  
Cause I, I still love you but I can't

[Refrão]

**F C Dm Bb F**  
Bye bye to everything I thought was on my side  
**C B**  
Bye bye baby

[Pré-Refrão]

**F C Dm**  
I want you back but it's come down to nothing  
**Bb**  
And all I have is your sympathy  
**G**  
Cause you took me home but you just couldn't keep me **B**

[Segunda Parte]

**Bb C**  
The picture frame is empty  
**F Dm Bb**  
On the dresser, vacant just like me  
**C F**  
I see your writing on the dash  
**Bb C**  
Then back to your hesitation  
**F Dm**  
I was so sure of everything  
**Bb C F**  
Everything I thought we'd always have  
**Bb C Dm**  
Guess I never doubted it  
Then the here and the now floods in  
**Bb C**  
Feels like I'm becoming a part of your past
