

Taylor Swift - Call It What You Want

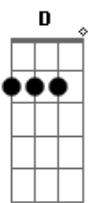

tom:
 D
 F2
 My castle crumbled overnight
 C
 I brought a knife to a gunfight
 G Am
 They took the crown, but it's alright
 F2
 All the liars are calling me one
 C
 Nobody's heard from me for months
 G Am
 I'm doing better than I ever was
 F2
 'Cause my baby's fit like a daydream
 C
 Walking with his head down
 G
 I'm the one he's walking to
 Am
 So call it what you want, yeah
 G
 Call it what you want to
 F2
 My baby's fly like a jet stream
 C
 High above the whole scene
 G
 Loves me like I'm brand new
 Am
 So call it what you want, yeah
 G
 Call it what you want to
 F2
 All my flowers grew back as thorns
 C
 Windows boarded up after the storm
 G Am
 He built a fire just to keep me warm
 F2
 All the drama queens taking swings
 C G
 All the jokers dressing up as kings
 Am
 They fade to nothing when I look at him
 F2
 And I know I make the same mistakes every time
 C
 Bridges burn, I never learn
 G
 At least I did one thing right
 Am
 I did one thing right
 F2
 I'm laughing with my lover, making forts under covers
 C
 Trust him like a brother
 G
 Yeah, you know I did one thing right
 Am
 Starry eyes sparking up my darkest night
 F2
 My baby's fit like a daydream
 C
 Walking with his head down
 G
 I'm the one he's walking to
 Am
 So call it what you want, yeah

G
 Call it what you want to
 F2
 My baby's fly like a jet stream
 C
 High above the whole scene
 G
 Loves me like I'm brand new
 Am
 So call it what you want, yeah
 G
 Call it what you want to
 F2 G C
 I want to wear his initial on a chain 'round my neck
 C
 Chain 'round my neck
 G
 Not because he owns me
 Am
 But 'cause he really knows me
 Which is more than they can say, I
 F2 G
 I recall late November
 C
 Holding my breath, slowly, I said
 Am
 You don't need to save me
 G
 But would you run away with me?
 G
 Yes (would you run away?)
 F2
 My baby's fit like a daydream
 C
 Walking with his head down
 G
 I'm the one he's walking to
 Am
 So call it what you want, yeah
 G
 Call it what you want to
 F2
 My baby's fly like a jet stream
 C
 High above the whole scene
 G
 Loves me like I'm brand new
 Am
 So call it what you want, yeah
 G
 Call it what you want to
 (F2 C G Am)
 F2
 (Call it what you want, call it)
 C
 (Call it what you want, call it what you want, call it)
 G
 (Call it what you want, call it what you want, call it)
 Am
 (Call it what you want, call it what you want, call it)
 G
 (Call it what you want, call it what you want, call it)
 F2 C
 (Call it what you want, call it what you want, call it)
 G Am
 (Call it what you want, call it what you want, call it)
