

Taylor Swift - Call It What You Want

tom:

C

My castle crumbled overnight
 I brought a knife to a gunfight
 They took the crown, but it's alright

All the liars are calling me one
 Nobody's heard from me for months
 I'm doing better than I ever was

'Cause my baby's fit like a daydream
 Walking with his head down
 I'm the one he's walking to
 So call it what you want, yeah

Call it what you want to

My baby's fly like a jet stream
 High above the whole scene
 Loves me like I'm brand new
 So call it what you want, yeah

Call it what you want to

All my flowers grew back as thorns
 Windows boarded up after the storm
 He built a fire just to keep me warm

All the drama queens taking swings
 All the jokers dressing up as kings
 They fade to nothing when I look at him

And I know I make the same mistakes every time
 Bridges burn, I never learn
 At least I did one thing right
 I did one thing right

I'm laughing with my lover, making forts under covers
 Trust him like a brother
 Yeah, you know I did one thing right
 Starry eyes sparking up my darkest night

My baby's fit like a daydream
 Walking with his head down
 I'm the one he's walking to

So call it what you want, yeah
 Call it what you want to

My baby's fly like a jet stream
 High above the whole scene
 Loves me like I'm brand new
 So call it what you want, yeah
 Call it what you want to

I want to wear his initial on a chain 'round my neck
 Chain 'round my neck
 Not because he owns me
 But 'cause he really knows me
 Which is more than they can say, I

I recall late November
 Holding my breath, slowly, I said
 You don't need to save me
 But would you run away with me?
 Yes (would you run away?)

My baby's fit like a daydream
 Walking with his head down
 I'm the one he's walking to
 So call it what you want, yeah
 Call it what you want to

My baby's fly like a jet stream
 High above the whole scene
 Loves me like I'm brand new
 So call it what you want, yeah
 Call it what you want to

(Call it what you want, call it)
 (Call it what you want, call it what you want, call it)
 (Call it what you want, call it what you want, call it)
 (Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)
 (Call it what you want, call it what you want, call it)
 (Call it what you want, call it what you want, call it)
 (Call it what you want, call it what you want, call it)
 Call it what you want, yeah
 Call it what you want to
