

Taylor Swift - Call It What You Want

tom:

A (forma dos acordes no tom de G)

Capostrate na 2ª casa

Intro: Cadd9 G D Em D

[Primeira Parte]

Cadd9

My castle crumbled overnight

I brought a knife to a gunfight

They took the crown, but it's alright

All the liars are calling me one

Nobody's heard from me for months

I'm doing better than I ever was, 'cause

[Refrão]

Cadd9

My baby's fit like a daydream

Walking with his head down

I'm the one he's walking to

So call it what you want, yeah, call it what you want to

My baby's fly like a jet stream

High above the whole scene

Loves me like I'm brand new

So call it what you want, yeah, call it what you want to

[Segunda Parte]

Cadd9

All my flowers grew back as thorns

Windows boarded up after the storm

He built a fire just to keep me warm

All the drama queens taking swings

All the jokers dressin' up as kings

They fade to nothing when I look at him

And I know I make the same mistakes every time

Bridges burn, I never learn, at least I did one thing right

I did one thing right

I'm laughing with my lover, making forts under covers

Trust him like a brother, yeah, you know I did one thing right

Starry eyes sparkin' up my darkest night

[Refrão]

Cadd9

My baby's fit like a daydream

Walking with his head down

I'm the one he's walking to

So call it what you want, yeah, call it what you want to

My baby's fly like a jet stream

High above the whole scene

Loves me like I'm brand new

So call it what you want, yeah, call it what you want to

I'm the one he's walking to

So call it what you want, yeah, call it what you want to

My baby's fly like a jet stream

High above the whole scene

Loves me like I'm brand new

So call it what you want, yeah, call it what you want to

[Ponte]

Cadd9

I want to wear his initial

On a chain round my neck, chain round my neck

Not because he owns me

But 'cause he really knows me

Which is more than they can say, I

I recall late November, holdin' my breath

Slowly I said, "You don't need to save me

But would you run away with me?"

Yes (would you run away?)

[Refrão]

Cadd9

My baby's fit like a daydream

Walking with his head down

I'm the one he's walking to

So call it what you want, yeah, call it what you want to

My baby's fly like a jet stream

High above the whole scene

Loves me like I'm brand new

So call it what you want, yeah, call it what you want to

[Final]

Cadd9

(Call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

Call it what you want, yeah

Call it what you want
