

# Taylor Swift - Cardigan

tom: G

Vintage tee, brand new phone G  
 High heels on cobblestones F  
 When you are young, they assume you know nothing G  
 Sequined smile, black lipstick Dm  
 Sensual politics F  
 When you are young, they assume you know nothing G

C  
 But I knew you  
 Dancin' in your Levi's G  
 Drunk under a streetlight, I F  
 I knew you G  
 Hand under my sweatshirt  
 Baby, kiss it better, I Dm  
 And when I felt like I was an old cardigan G  
 Under someone's bed F  
 You put me on and said I was your favorite G  
 A friend to all is a friend to none Dm  
 Chase two girls, lose the one F  
 When you are young, they assume you know nothing G

C  
 But I knew you  
 Playing hide-and-seek and G  
 Giving me your weekends, I F  
 I knew you G  
 Your heartbeat on the High Line  
 Once in twenty lifetimes, I F  
 And when I felt like I was an old cardigan Am  
 Under someone's bed C  
 You put me on and said I was your favorite F

( F Am G F )

To kiss in cars and downtown bars F  
 Was all we needed Am  
 You drew stars around my scars G  
 But now I'm bleedin' F  
 'Cause I knew you C  
 Steppin' on the last train G  
 Marked me like a bloodstain, I F  
 I knew you  
 Tried to change the ending G  
 Peter losing Wendy, I C  
 I knew you G  
 Leavin' like a father F  
 Running like water, I  
 And when you are young, they assume you know nothing G  
 But I knew you'd linger like a tattoo kiss C  
 I knew you'd haunt all of my what-ifs G  
 The smell of smoke would hang around this long F  
 'Cause I knew everything when I was young G  
 I knew I'd curse you for the longest time C  
 Chasin' shadows in the grocery line G  
 I knew you'd miss me once the thrill expired F  
 And you'd be standin' in my front porch light G  
 And I knew you'd come back to me Dm  
 You'd come back to me G  
 And you'd come back to me F  
 And you'd come back G  
 And when I felt like I was an old cardigan Am  
 Under someone's bed F  
 You put me on and said I was your favorite F
