

# Taylor Swift - Change

Tom: F

(com acordes na forma de Capotraste na 1ª casa E )  
Intro: 2x: E B Dbm A

E  
It's just a sad picture,  
E  
The final blow hits you  
A  
Somebody else gets what you wanted again  
E  
You know it's all the same  
B  
Another time and place  
Dbm A  
Repeating history, and your getting sick of it  
Dbm B  
But I believe in whatever you do  
A B  
And I'll do anything to see it through  
E  
Because these things will change  
B  
Can you feel it now?  
Dbm A  
These walls that they put up to hold us back will fall down  
E B Dbm A  
It's a revolution, the time will come for us to finally win  
E B  
We'll sing hallelujah  
Dbm A E  
We'll sing hallelujah, oh  
E  
So we've been outnumbered  
E  
Raided and now cornered  
A  
It's hard to fight when the fight ain't fair  
E  
We're getting stronger now  
B  
From things they never found  
Dbm A

They might be bigger, but we're faster and never scared  
Dbm A B  
You can walk away and say we don't need this  
A B  
But there's something in your eyes, says we can beat this

E  
Cause these things will change  
B  
Can you feel it now?  
Dbm A  
These walls that they put up to hold us back will fall down  
E B Dbm A  
It's a revolution, the time will come for us to finally win  
E B  
We'll sing hallelujah  
Dbm A  
We'll sing hallelujah  
Dbm A E B (2x)  
Oh

E A Dbm  
Tonight we're standing on our knees  
E  
To fight for what we worked for all these years  
A Dbm  
The battle was long, it's the fight of our lives  
A  
Will we stand up champions tonight?  
E  
It was the night things changed  
E  
Can you see it now?  
Dbm A  
These walls that they put up to hold us back fell down  
E E Dbm A  
It's a revolution, throw your hands up, cause we never gave in  
E B  
We'll sing hallelujah  
Dbm A  
We'll sing hallelujah  
E B Dbm A  
Hallelujah  
E B Dbm A (3x)  
B B Dbm A (single strum, let ring)
