

Taylor Swift - Change

tom:

E (forma dos acordes no tom de D)

Capostrate na 2ª casa

And it's a sad picture
 The final blow hits you
 Somebody else gets what you wanted again
 You know it's all the same
 Another time and place

[Pre-Chorus]
 Repeating history, and you're getting sick of it
 But I believe in whatever you do
 And I'll do anything to see it through

[Chorus]
 Because these things will change
 Can you feel it now?
 These walls that they put up to hold us back will fall down
 This revolution, the time will come for us to finally win
 And we'll sing hallelujah
 We'll sing hallelujah

Oh oh

[Verse 2]
 So we've been outnumbered
 Raided and now cornered
 It's hard to fight when the fight ain't fair
 We're getting stronger now
 Find things they never found

They might be bigger, but we're faster and never scared
 You can walk away and say we don't need this
 But there's something in your eyes, says we can beat this

[Chorus]
 Because these things will change
 Can you feel it now?
 These walls that they put up to hold us back will fall down
 This revolution, the time will come for us to finally win
 And we'll sing hallelujah
 We'll sing hallelujah

Oh

[Verse 3]

Tonight we stand, get off our knees
 To fight for what we worked for all these years
 The battle was long, it's the fight of our lives
 We'll stand up champions tonight

[Chorus]

It was the night things changed
 Can you see it now?
 These walls that they put up to hold us back fell down

It's a revolution, throw your hands up, cause we never gave in
 And we sang hallelujah
 We sang hallelujah
 Hallelujah

[Final] D A Bm C
