

Taylor Swift - Chloe Or Sam Or Sophia Or Marcus

tom:
 Your hologram ^C stumbled into my apartment ^F
 Hands in the hair of somebody in darkness
 Named ^F Chloe or Sam or Sophia or Marcus
 And I just watched it happen ^G
 As the decade would play us for fools ^C
 And you saw my bones out with somebody new
 Who seemed like he would've bullied you in school
 And you just watched it happen ^G

^{Dm} If you wanna break my cold, cold heart ^G
 Just say: I loved you the way that you were ^C ^F
^{Dm} If you wanna tear my world apart ^G
 Just say you've always wondered ^C ^F

^F You said some things that I can't unabsorb
 You turned me into an idea of sorts
 You needed me, but you needed drugs more
 And I couldn't watch it happen ^G
 I changed into goddesses, villains and fools
 Changed plans and lovers, and outfits and rules
 All to outrun my desertion of you
 And you just watched it ^G

^{Dm} If you wanna break my cold, cold heart ^G
 Just say: I loved you the way that you were ^C ^F

^{Dm} If you wanna tear my world apart ^G
 Just say you've always wondered ^C ^F
 If the glint in my eye traced the depths of your sigh ^{Dm}
 Down that passage in time back to the moment ^G
 I crashed into you, like so many wrecks do ^C
 Too impaired by my youth to know what to do ^F ^F
 So if I sell my apartment
 And you have some kids with an internet starlet ^C
 Will that make your memory fade from this scarlet maroon ^F ^G
 Like it never happened?
 Could it be enough to just float in your orbit? ^F
 Can we watch our phantoms like watching wild horses? ^C
 Cooler in theory, but not if you force it to be ^F ^G
 It just didn't happen

^{Dm} So if you wanna break my cold, cold heart ^G
 Say you loved me ^C ^F
^{Dm} And if you wanna tear my world apart ^G
 Say you'll always wonder ^C ^F

^{Dm} ^G ^C
 (Ah-ah-ah-ah-ah)
 'Cause I wonder ^F
^{Dm} (Ah-ah-ah)
^G Will I always (Ah-ah-ah)
^C Will I always wonder? ^F
